

PLASTIQUE ANIMÉE STANDARDS

1. Demonstrate articulation, phrasing, form, melodic structure, rhythmic features, and dynamics through movement individually or in a small group
2. The selected music should be 2.5-3.5 minutes in length and must be worthy of movement in terms of variety in musical elements, quality of performance, and by a respected composer.
3. All movement must be musically accurate, and show flow, anacrusis, nuance, and aesthetic integrity
